BOOK THREE CONTENTS

Section 11 MO (Microelectronic) Outlines

NOTE 1 Military outlines were rescinded in 1981.

NOTE 2 A number of DO, TO outlines were removed in 1987 and 1997.

NOTE 3 JEDEC Publication 95 was in a single binder until 1992 when it was converted to a two book set due to size. In 1994, it was changed to a three book set by request of the JC-11 Committee for ease of use.

NOTE 4 No page numbers are listed in this document because they change so frequently.
