

AGREEMENT FOR JEDEC DESIGN FILES

This Agreement is a limited license agreement effective upon the customer (the "Licensee") opening the zip file appended hereto.

The JEDEC Solid State Technology Association (the "Licensor") hereby grants Licensee the non-exclusive rights to use, copy, reproduce and execute the Design File data provided by the Licensor (the "Data"). Such rights may be exercised only in connection with the development, manufacture, and test of DIMMs incorporating the Data, including the right to have others practice such rights on behalf of Licensee. The rights and licenses granted hereunder are irrevocable for DIMMs incorporating the Data.

No other licenses, express or implied, are granted under any of the Licensor's intellectual property.

THE DATA IS PROVIDED ON AN "AS IS" BASIS, WITHOUT ANY WARRANTY, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR WARRANTY THAT THE DATA OR ANY PRODUCT USING THE DATA WILL BE FREE FROM ANY CLAIM OF INFRINGEMENT OF ANY INTELLECTUAL PROPERTY, INCLUDING PATENTS COPYRIGHT OR TRADE SECRETS AND THE LICENSOR ASSUMES NO RESPONSIBILITY OR LIABILITY FOR LOSS OR DAMAGES, INCLUDING WITHOUT LIMITATION DIRECT, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL, THAT MIGHT ARISE OUT OF LICENSEE'S USE OF THE DATA.

In addition, in no event will the Licensors be liable for any claims or damages claimed by the Licensee based on any third party claim or for claims or damages arising out of or related to the exercise of Licensee's rights under this Agreement. The Licensee agrees to indemnify and save the Licensor harmless from any and all such claims or damages, including the costs of defending against the same.

This Agreement shall be construed, and the legal relations between the parties hereto shall be determined, in accordance with the laws of the State of Virginia. Licensee may not assign, delegate or subcontract this Agreement without the prior written approval of the Licensor. Any act in contravention of the foregoing shall be void.

The parties further agree that the Licensor is under no obligation to provide Licensee with updates or errata relating to the Design.

This Agreement shall supersede all prior agreements, communications and understandings, oral or written, between the parties respecting the subject matter hereof and thereof and shall be the complete and exclusive agreement between the parties respecting the subject matter hereof.

This Agreement may only be modified in writing signed by both parties.
